## HERE COMES THE SUN

George Harrison © 1969 Harrison songs

Here comes the sun, here comes the sun, and I say it's all right

Little darling, it's been a long cold lonely winter  
Little darling, it feels like years since it's been here  
Here comes the sun, here comes the sun  
and I say it's all right

Little darling, the smiles returning to the faces  
Little darling, it seems like years since it's been here  
Here comes the sun, here comes the sun  
and I say it's all right

Sun, sun, sun, here it comes... *(repeat 4 times)*

Little darling, I feel that ice is slowly melting  
Little darling, it seems like years since it's been clear  
Here comes the sun, here comes the sun,  
and I say it's all right. It's all right

## INSIDE (TO FIND MY GOD)

©Nahmod Music 2010. Words & Music by Daniel Nahmod

I will leave this world as it is, Go inside to find my God  
I will leave this world as it is, Go inside to find my God  
I will leave this world as it is, Go inside to find my God  
I will leave this world as it is, Go inside to find my God

Inside there is peace, Inside there is joy,  
Inside there is more than enough.  
Inside there is peace, Inside there is joy.  
Inside there is sacred love.

I will leave this day as it is, Go inside to find my God  
I will leave this day as it is, Go inside to find my God

Inside there is peace, Inside there is joy,  
Inside there is more than enough.  
Inside there is peace, Inside there is joy.  
Inside there is sacred love.

I will leave this life as it is, Go inside to find my God  
I will leave this life as it is, Go inside to find my God

Go inside to find my God  
I'll go inside to find my God
