THIS LAND IS YOUR LAND

© 1956 Woody Guthrie – Ludlow Music, Inc.

*This land is your land, this land is my land
From California to the New York island
From the Redwood Forest, to the gulf stream waters
This land was made for you and me*

As I was walking that ribbon of highway
I saw above me that endless skyway
I saw below me that golden valley
This land was made for you and me

I've roamed and rambled and I followed my footsteps
To the sparkling sand of her diamond deserts
And all around me, a voice was sounding
This land was made for you and me

When the sun comes shining, and I was strolling
And the wheat fields waving and the dust clouds rolling
As the fog was lifting a voice was chanting
This land was made for you and me.

BLOWIN' IN THE WIND - Bob Dylan © 1962 Warner Bros., Inc.

How many roads must a man walk down
Before you call him a man?

How many seas must a white dove sail
Before she sleeps in the sand?

Yes, 'n' how many times must the cannon balls fly
Before they're forever banned?

The answer, my friend, is blowin' in the wind
The answer is blowin' in the wind

How many times must a man look up
Before he can see the sky?

Yes, 'n' how many ears must one man have
Before he can hear people cry?

Yes, 'n' how many deaths will it take till he knows
That too many people have died?

The answer, my friend, is blowin' in the wind
The answer is blowin' in the wind

How many years can a mountain exist
Before it's washed to the sea?

Yes, 'n' how many years can some people exist
Before they're allowed to be free?

Yes, 'n' how many times can a man turn his head
Pretending he just doesn't see?

The answer, my friend, is blowin' in the wind
The answer is blowin' in the wind
