OPENING PRAYER - REV. PAT WILLIAMSON

ONE POWER

(c) 2017 Daniel Nahmod and Humanity Music Company

One Power, One Power, One Power (repeat)

There's One Power, invisible, And you see it everywhere and every day.

One Power, indescribable, And you speak of it with every word you say.

Mysterious, until you know the truth, As simple as the love inside of you.

Call it God, call it Spirit, call it Jesus, call it Lord. Call it Buddha, Ba'ha'ulla, Angel's Wings or Heaven's Door.

But, whatever name you give it, It's all One Power, can't you see. It's the power of the love in you and me.

One Power, One Power, One Power (repeat)

We speak so many languages, Different clothing, different colors, different names,

But, different is only dangerous, When we forget that in the heart, we're all the same.

We'll remember once we close our eyes to see, That such distances were never meant to be.

Call it God, call it Spirit, call it Jesus, call it Lord. Call it Buddha, Ba'ha'ulla, Hashem or Heaven's Door.

It's Muhammad, it's your mind, It's your soul, it's your sign. It's the universe, it's music, Mother Earth or Father Time,

But, whatever name you give it, It's all One Power, can't you see

Whatever name you give it, It's the very air we breathe. It's the power of the love in you and me.

One Power, One Power, One Power (repeat)

It's the moment of creation. It's an everlasting peace. It's the freedom of forgiveness.

It's the sweetness of release. It's the joy of inspiration. It's the sunshine on your face.

It's the birthright of all nations. It's the boundlessness of space.

It's the beauty of a baby. The serenity of sleep. It's the anger we abandon.

For it's love that's most deep. It's One Power.

One Power, One Power, One Power (repeat)

Wherever we are, God is. I AM Divine. And all is well!*

PEACE SONG

Now there is peace on earth, And it has begun with me;
Now there is peace on earth, The peace that was meant to be.
With God as our Creator, Family all are we.
Let us walk with each other In perfect harmony.
Now peace begins with me, Let this be the moment now.
With every step I take, Let this be my joyous vow:
To take each moment and live each moment
in peace eternally. Now there is peace on earth and it has begun with me.
